

St. Brendan School Gift Card Program

What is the Gift Card Program?

The Gift Card Program (also known as Scrip) is one of the major PTO fundraisers at St. Brendan School. It is simple – you buy or sell gift cards for everyday expenses like groceries, gas or restaurants, and a portion of the sale goes to the school and toward your fundraising commitment.

How do I purchase gift cards?

You have several options for purchasing gift cards:

ScripNow & MyWallet

Order at www.shopwithscrip.com using PrestoPay.

Access and redeem e-gift cards with the MyWallet mobile app. Or, print the gift card at home.

See the back of this page to learn more about registering with ShopWithScrip and PrestoPay and using MyWallet.

Plastic Gift Cards

Order at www.shopwithscrip.com using PrestoPay, or submit a standing or one-time order form and pay by check.

Gift cards may also be purchased in the school office and after mass at St. Brendan on uniform weekends.

Reload

Reload funds to a gift card previously purchased from the gift card program, using PrestoPay.

Do I have to purchase gift cards myself to earn fundraising credit?

No! You may submit orders on behalf of family members, friends, colleagues, etc. Even better – If you volunteer to sell gift cards after mass at St. Brendan, you receive credit for those sales AND earn an hour of your volunteer hours commitment!
