Class Description

Our Pre-Kindergarten class is designed to prepare children for success in the St. Brendan School Kindergarten class. Our class is a balance of academics, faith instruction, fine arts, and social activities.

In order to be prepared for kindergarten, our Pre-Kindergarten students develop increased independence, concentration, focus, ability to follow directions, use of problem-solving skills, stronger reading, writing, and math skills, and appropriate social skills through instruction and independent tasks.

For religion, students learn about people made in the image of God and more about the Mass, priests and religious vocations, prayers, saints, and the vocabulary of our faith. Our Pre-Kindergarten students attend the monthly all-school Masses with the entire school community.

Pre-Kindergarten students have instruction in phonics, sight words, reading and reading readiness, numbers, number order, numerical concepts, estimating, printing, writing skills, social studies, science, computer/ technology, art, physical education, and music. Students have a weekly class in music, art, computer, library, and physical education class with the St. Brendan School specialist teacher.

Afternoon Enrichment: Students in our morning pre-kindergarten program are able to enroll in our afternoon Enrichment program (10 student capacity). Students take part in an emergent curriculum – student-directed learning in which topics of interest to the children are explored, as well as a lunch, rest period and an extended afternoon recess.

The Pre-Kindergarten class has a Washington State certified teacher and a full-time classroom aide. There are two pre-kindergarten classes with a maximum capacity of 26 (13 per class). Full-day Enrichment has a maximum capacity of 10 students.

Students may be enrolled in the morning only (AM) class or the Full-day class.

The Full-day class has a supervised lunch/recess/rest period from 11:30 to 1:10.

There is no option for an afternoon only class.

During the school year, students may not transfer from the AM class to the Full-day class.

The Preschool Director makes the final determination regarding a child's readiness for a full-day pre-kindergarten program.
