Class Description

The Preschool class is the foundation for the school readiness skills that children need for pre-kindergarten and beyond. The class is a balance of academics, faith instruction, fine arts, and social activities. Our class focuses on developing a child's spiritual awareness, social skills, ability to work cooperatively with others, concentration and on-task capability, following directions, and fine motor skills. We foster the development of these skills in a warm and nurturing environment using interactive circle time activities such as songs and discussions, art activities, religious instruction, recess, story time, and free-choice activities with a variety of learning puzzles, manipulatives, and games. We include special guest teachers and St. Brendan School teachers in our preschool classes to provide additional instruction and activities for our three-year-old class.

The Preschool class has a Washington State certified teacher and a full-time classroom aide. The part-time class will take place on Tuesday, Wednesday, and Thursday mornings when school is in session from 8:30 to 11:30 AM. Class size is limited to 14 students. The full-day class will take place Monday – Friday when school is in session from 8:30 AM – 3:30 PM. Class is limited to 8 students.

Preschool students will

- learn about people made in the image of God and the choices we make to reflect our love for God.
- begin to learn, identify, and master letters, letter sounds, numbers, colors, and science and social studies concepts through developmentally-appropriate activities.
- have stories, discussions, songs, art, and activities to learn about our Catholic faith.
- learn to complete tasks independently to become confident and self-directed learners.
