St. Brendan Holiday Craft Fair!

All crafts sold by the craft vendor must be handcrafted. Manufactured goods are not allowed at the fair. We will continue our jury system this year and would like all vendors to provide a picture of their product. A picture is mandatory for all applications including returning/veteran vendors, we prefer that pictures are printed on regular printer paper. We are working on providing a good mix of products at the fair as too much of one type of product is not good for you the vendor or the shopper. Once the application is received, you will be notified by email of your status by June 15th. The fair has approximately 100 craft booths placed in the two story school in the gym, classrooms, & hallways.

Vendors may provide their own tables or rent one from St. Brendan's. Booth placement is determined by both the flow of the fair and the product mix at the craft fair. We will do our best to meet your placement request. Hallway booths are 4x10, gym and classroom booths are in a 6x8 configuration. Vendors must be in attendance both Saturday & Sunday. One day booth rentals are not available.

We will accept Vendor applications **April 1st to June 1st**. You will be notified if you have a spot in the fair by June 15th. ****You must provide full fair payment for your application to be complete. We will only cash your check if you are offered a spot in the fair.**
